

The logo for the R.IOT Summit features a stylized red 'R' followed by 'IOT' in green and 'Summit' in white. Below the logo, the dates 'September 14 - 15, 2020' are written in white.

**R.IOT Summit**  
September 14 - 15, 2020

**WRAPPING IT UP**

# Virtual vs f2f Meeting Stories: can you tell the difference?

- ◆ Spontaneous meeting in the hallway led to intense exchanges (and to missing the start of the next session)

# Virtual vs f2f Meeting Stories: can you tell the difference?

- ◆ Spontaneous meeting in the hallway led to intense exchanges (and to missing the start of the next session)
- ◆ Jokes with your neighbor, late night poker, and drinks at the bar (resurrect in this bar just before the morning session)

# Virtual vs f2f Meeting Stories: can you tell the difference?

- ◆ Spontaneous meeting in the hallway led to intense exchanges (and to missing the start of the next session)
- ◆ Jokes with your neighbor, late night poker, and drinks at the bar (resurrect in this bar just before the morning session)
- ◆ Auditorium doorway cluttered with too many attendees (not moving one inch after exiting the keynote....)

# Virtual vs f2f Meeting Stories: can you tell the difference?

- ◆ Spontaneous meeting in the hallway led to intense exchanges (and to missing the start of the next session)
- ◆ Jokes with your neighbor, late night poker, and drinks at the bar (resurrect in this bar just before the morning session)
- ◆ Auditorium doorway cluttered with too many attendees (not moving one inch after exiting the keynote....)
- ◆ Almost no mic issues (!)

# Even better than the real thing!

- ◆ You had all the capacity of your Wifi to yourself  
(some were even dancing with joy)
- ◆ You had your favorite coffee at each break

# Even better than the real thing!

- ◆ You had all the capacity of your Wifi to yourself (some were even dancing with joy)
- ◆ You had your favorite coffee at each break
- ◆ You were provided with a ghost mode (yay!)

# Even better than the real thing!

- ◆ You had all the capacity of your Wifi to yourself (some were even dancing with joy)
- ◆ You had your favorite coffee at each break
- ◆ You were provided with a ghost mode (yay!)
- ◆ Even better: you could instantly teleport home at any time!

# Highlights this year

- ◆ Padawan & Sensei puppet show

# Highlights this year

- ◆ Padawan & Sensei puppet show
- ◆ New & cool RIOT use cases !

# Highlights this year

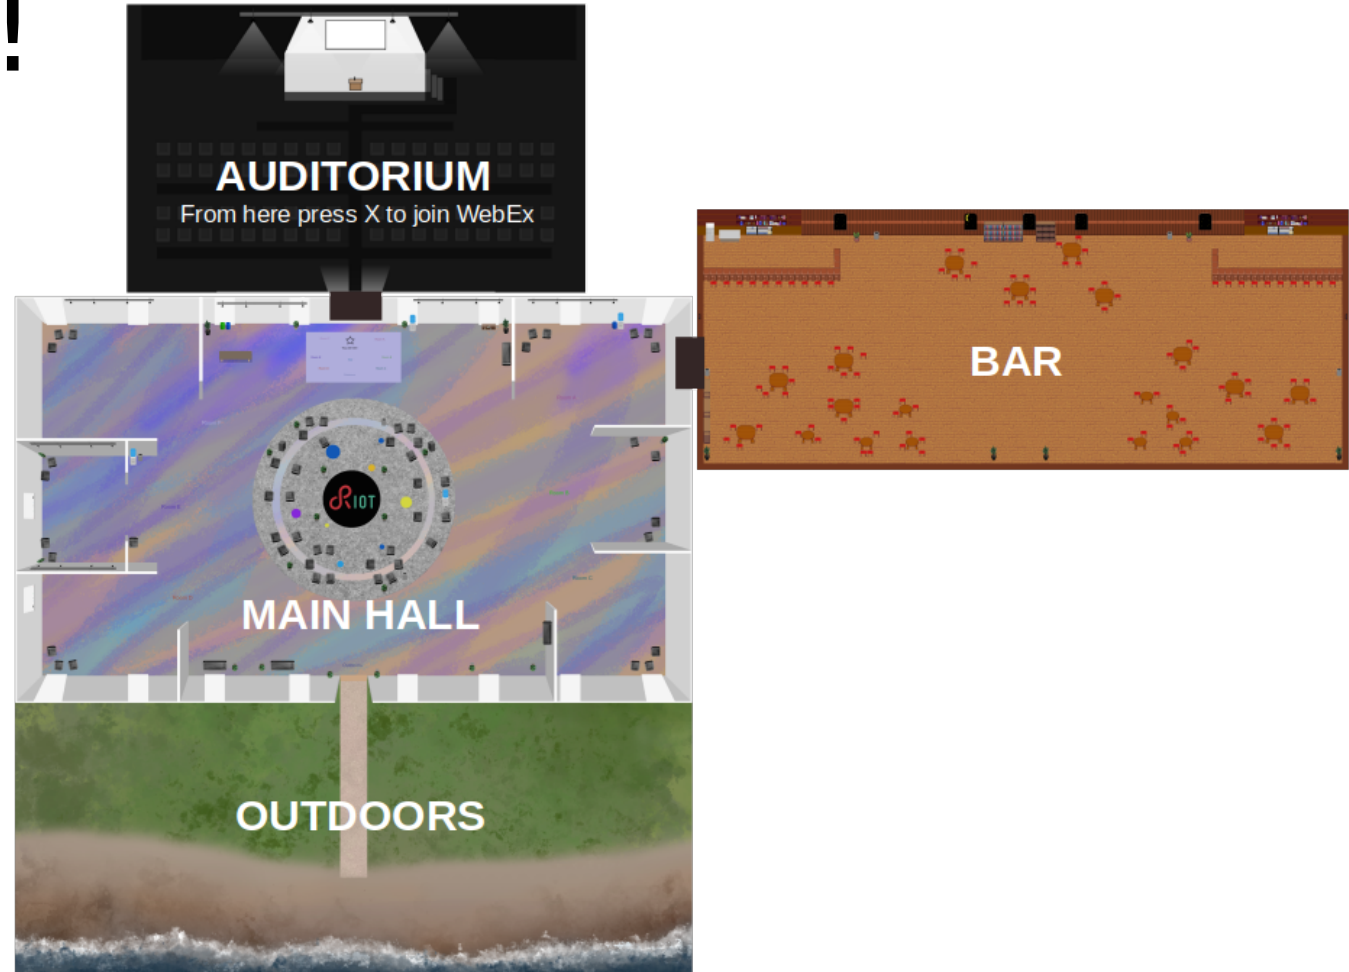

- ◆ Padawan & Sensei puppet show
- ◆ New & cool RIOT use cases
- ◆ High quality talks on virtually all facets of IoT:  
HW, SW, Network, Security...

**=> Thanks a bunch to our speakers!!!**

# Remaining Open!

You can *\*still\** hang out in the venue, as long as you want after this last session
